

Forever Isn't Long Enough

Michael Bolton

The tickin' of the clock, the beating of my heart
Pounding like a drum in the dark for you
If I could conquer time, I'd love you day and night
And make this moment last, baby, all my life

Ask me how long I'll need you
Ask me how long I'll be there

[Chorus]

Forever isn't long enough to give you my love, to give you my l
ove
Till the end of time isn't time enough for everything I want to
do
Forever isn't long enough to give all my love to you

I watch you as you sleep; I'm jealous of the night
I'd steal you from your dreams just to buy more time
So much in my heart, so much in my soul
A lifetime ain't enough to ever let you know

Tell me this will be for always
Tell me you'll always be there

[Chorus]

'Cause the time is passin' by, and the more it slips away
When I look into your eyes, I know, baby
It isn't long enough to give you my love
Forever ain't enough to give it all to you
There isn't time enough to see it all through
Forever ain't enough to give my love to you
