

I Promise You

Michael Bolton

Oh, oh
I will promise you
Yes I promise to
Love you for all of life
Love you every day and night
And I will always be there for you
I'll be in your arms, and you'll be in my heart

I'll love you forever, I promise you
We'll be together, our whole life through
There's nothing that I, I wouldn't do
With all of my heart, I promise you

Ahh
I will take your hand
And I'll understand
Share all your hopes and dreams
Show you what love can mean
And whenever life just gets too much for you
I'll be by your side, to dry the tears you cry

I'll love you forever, I promise you
We'll be together, our whole life through
There's nothing that I, I wouldn't do
With all of my heart, I promise you

Oh, I will always be in your arms
And you will always be the flame
Within my heart

I'll love you forever, I promise you
We'll be together, our whole life through
There's nothing that I, I rather do
With all of my heart, I promise you

There's nothing in this world I wouldn't do
I promise you
