I've Got You Under My Skin

Michael Bolton

I've got you under my skin I've got you deep in the heart of me So deep in my heart that you're really a part of me I've got you under my skin I'd tried so not to give in I said to myself: this affair never will go so well But why should I try to resist when, baby, I know so well I've got you under my skin?

I'd sacrifice anything come what might For the sake of havin' you near In spite of a warnin' voice that comes in the night And repeats, repeats in my ear Don't you know, little fool, you never can win? Use your mentality, wake up to reality But each time that I do, just the thought of you Makes me stop before I begin 'Cause I've got you under my skin

I would sacrifice anything come what might For the sake of havin' you near In spite of the warning voice that comes in the night And repeats--how it yells in my ear Don't you know, little fool, you never can win? Why not use your mentality, step up, wake up to reality? But each time I do, just the thought of you Makes me stop just before I begin 'Cause I've got you under my skin Yes, I've got you under my skin
