

# I Wanna Hear You Say It

Michael Bolton

Gimme back my breath  
Gimme back my senses  
Gimme back my life  
All My Second chances

If I'm gonna give my all  
Never be without you  
Tell me will you catch my fall  
'Cause I'm about to

Love is written on your face  
You believe in what you found  
I'll be lost in time and space  
Until I hear that sound

I want to hear you say it  
Doesn't get any better than this  
If this ain't really love  
Than tell me baby what it is

Without you I can't breathe  
What do you promise me  
I want to hear you say it  
I want to hear you say it

Gimme back my pride  
Take away my silence  
Gimme back my faith  
Show me where this road ends

Take away my choice  
Deliver me forever  
You can free me with your voice  
Even if you whisper

Love is written on your face  
You believe in what you found  
I'll be lost in time and space  
Until I hear that sound

I want to hear you say it  
Doesn't get any better than this  
If this ain't really love  
Than tell me baby what it is

Without you I can't breathe  
What do you promise me  
I want to hear you say it  
I want to hear you say it

Don't make me wait for it  
You know I ache for it  
Don't make me break down and walk away  
Your eyes have said to me

Walk to the ledge with me  
We're on the edge baby

Tell me what I need to know  
I want to hear you say it

Doesn't get any better than this  
If this ain't really love  
Than tell me baby what it is  
I want to hear you say it

Doesn't get any better than this  
If this ain't really love  
Than tell me baby what it is  
Without you I can't breathe

What do you promise me  
I want to hear you say it  
I want to hear you say it  
I want to hear you say it

Doesn't get any better than this  
If this ain't really love  
Than tell me baby what it is  
Without you I can't breathe

What do you promise me  
I want to hear you say it  
I want to hear you say it
