

It's Only My Heart

Michael Bolton

I've been down, I've been weak
And I've lost enough sleep over you
It's gonna take me some time
But I've made up my mind; I'll get through

I'm gonna learn to carry on now
'Cause I'm determined to be strong now
Don't worry, don't worry: it's gonna be all right
Don't worry, don't worry: it's not the end of my life

[Chorus]

It's only my heart breakin' inside me
It's only love; that's all it is
I won't beg, I won't plead
Won't get down on my knees for you
It's only my heart, it's only my heart

I'm not missing your touch
I don't hurt half as much as before
If I call you, I swear
It don't mean that I care anymore

Just keep your love 'cause I don't need it
Wish I could make myself believe it
Don't worry, don't worry; don't you be concerned
Don't worry, don't worry: it's not the end of my world

[Chorus]
