

# Like A Rolling Stone

Michael Bolton

Once upon a time you dressed so fine  
Threw bums a dime in your prime, didn't you?  
People called said beware doll, you're bound to fall  
You thought they were all kidding you  
You used to laugh about  
People who were hanging out  
Now you don't talk so loud  
Now you don't seem so proud  
About having to be scrounging your next meal

[Chorus:]

How does it feel, how does it feel?  
To be on your own, without a home  
Like a complete unknown, like a rolling stone

You've gone to the finest schools, alright miss lonely  
but you know you only used to get juiced in it  
Nobody's ever taught you how to live out on the street  
And now you're gonna have to get used to it  
You say you never compromise  
With the mystery tramp, but now you realize  
He's not selling any alibies  
As you stare into the vacuum of his eyes  
And say do you want to make a deal?

[Chorus]

Oh, you never turned around to see the frowns  
On the jumpers and the clowns when they did their tricks for you  
You never understood that it ain't no good  
You shouldn't let other people get your kicks for you  
You used to ride on your chrome horse with your diplomat  
Who carried on his shoulder a siamese cat  
Ain't it hard when you discovered that  
He really wasn't where it's at  
After he took from you everything he could steal

[Chorus]

Princess on a steeple and all the pretty people  
They're all drinking, thinking that they've got it made  
Exchanging all precious gifts  
You better take your diamond ring, you better pawn it babe  
You used to be so amused  
At Napoleon in rags and the language that he used  
Go to him he calls you, you can't refuse  
When you ain't got nothing, you got nothing to lose  
You're invisible now, you've got not secret to conceal

[Chorus]
