That's Life

Michael Bolton

That's life (that's life) -- that's what all the people say You're ridin' high in April, shot down in May But I know I'm gonna change that tune When I'm back on top, back on top in June I said that's life (that's life), and as funny as it may seem Some people get their kicks stompin' on a dream But I don't let it, let it get me down 'Cause this fine old world it keeps spinnin' around I've been a puppet, a pauper, a pirate, a poet, a pawn, and a k inq I've been up and down and over and out, and I know one thing Each time I find myself flat on my face I pick myself up and get back in the race That's life (that's life) -- I tell you I can't deny it I thought of quitting, baby, but my heart just ain't gonna buy it. And if I didn't think it was worth one single try I'd jump right on a big bird and then I'd fly I've been a puppet, a pauper, a pirate, a poet, a pawn, and a k ing I've been up and down and over and out and I know one thing Each time I find myself layin' flat on my face I just pick myself up and get back in the race That's life (that's life), that's life and I can't deny it Many times I thought of cuttin' out, but my heart won't buy it But if there's nothin' shakin' come this here July

I'm gonna roll myself up in a big ball and die

My, my
