The Best of Love

Michael Bolton

- I've got this somethin' to tell you There ain't no doubt in my mind All I'm askin' is to keep you near forever Just till the end of time
- X: Baby, I know where love grows My heart is overflowin' You're so fine and so true I want to spend my time, spendin' time with you, baby
- R: I've got the best of love With every breath and every beat of my heart You know you've got me by my deepest emotion 'Cause you keep givin' me the best of love
- Passion and sweet inspiration So rare and so hard to find You are my journey and my destination Queen of this heart of mine
- X: Baby, I know where love grows In my life it's overflowin' You're so fine and it's so true I know I've got it all, all because of you, baby
- R: I've got the best of love With every breath and every beat of my heart You know ya reach into my deepest emotion And you keep givin' me, the best of love
- *: With every moment that passes by This love goes on It keeps growin' stronger And the more we're together The best keeps gettin' better, baby
- R: I've got the best of love With every breath and every beat of my heart You know you're down inside my deepest emotion So just keep givin' me, the best of love

I've got the best of love With every breath and every beat of my heart Ain't nothin' finer than that sweetest emotion Just keep givin' me, just keep on givin' me The best of love, best of love, best of love
