

Time Is on My Side

Michael Bolton

Time is on my side, yes, it is
Time is on my side, oh yes, it is
'Cause I got the real love
The kind that you need
So you'll come runnin' back
That you'll come runnin' back
You'll come runnin' back to me

Time is on my side, yes, it is
Time is on my side, oh yes, it is, baby
'Cause you always said
That you want to be free
But you'll come runnin' back
You'll come runnin' back
You'll come runnin' back to me, to me

Go ahead, go ahead and lie to me, baby
And do anything that you want to do
And I told ya, ya know I told ya so many times before
You're gonna come back, baby
You're gonna come back
Knockin' at my door

Time is on my side, yes, it is
Time is on my side, oh yes, it is
'Cause I got the real love
The kind that you need
So you'll come runnin' back
That you'll come runnin' back
You'll come runnin' back to me, to me, to me

Oh, time is on my side
You know it is
Time is on my side, yes, it is
Time is on my side, yes, it is
