

To Love Somebody

Michael Bolton

There's a light
A certain kind of light
That never shone on me
I want my life to be
Lived with you, lived with you
There's a way
Everybody say
To do each and every little thing
But what does it bring
If I ain't got you, ain't got you?

[Chorus]

You don't know what it's like
Baby, you don't know what it's like
To love somebody, to love somebody
The way I love you

In my mind
I see your face again
I know my frame of mind
You ain't got to be so blind
And I'm blind, so very blind
I'm a man
Can't you see what I am?
I live and breathe for you
But what good does it do
If I ain't got you, ain't got you?

[Chorus]

Oh yeah
You don't know what it's like
Baby, you don't know what it's like
To love somebody, to love somebody
To love somebody, oh yeah

To love somebody
The way I love you
You don't know, you don't know
To love somebody, to love somebody
You don't know, oh
To love somebody, to love somebody
The way I love you
