

## (What A) Wonderful World

Michael Bolton

Don't know much about history  
I don't know much biology  
I don't know much about the science book  
Don't know much about the French I took

But I do know that I love you  
And I know that if you love me too  
What a wonderful world this would be

Don't know much about geography  
Don't know much trigonometry  
Don't know much about algebra  
Don't know what a slider rule is for

But I know that one and one is two  
And if this one could be with you  
What a wonderful world this would be

Oh, I don't claim to be an 'A' student  
But I'm trying to be  
For maybe by being an 'A' student baby  
I can win your love for me

Now I don't claim to be an 'A' student  
But I'm trying to be  
For maybe by being an 'A' student baby  
I can win your love for me

Don't know much about history  
Don't know much biology  
Don't know much about the science book  
I don't know much about the French I took

But I do know I love you  
And I know that if you love me too  
What a wonderful world this would be  
What a wonderful world this would be

Ooh, what a wonderful world  
Ooh, what a wonderful world  
Ooh, what a wonderful world  
...
