

Buena Sera

Michael Bublé

Buona sera senorita buona sera
It is time to say goodnight to Napoli
Though it's hard for us to whisper Buena Sera
With that old moon above the Mediterranean sea

In the morning senorita we'll go walking
Where the mountains and the sun come into sight
By the little jewlershop we stop and linger
While I buy a wedding ring for your finger

In the meantime did I tell you that I love you
Buona sera signorita kiss me good night
