

# Close Your Eyes

Michael Bublé

Close your eyes  
Let me tell you all the reasons why  
Think you're one of a kind.  
Here's to you  
The one that always pulls us through  
Always do what you gotta do  
You're one of a kind  
Thank God you're mine.

You're an angel dressed in armor  
You're the fair in every fight  
You're my life and my safe harbor  
Where the sun sets every night  
And if my love is blind  
I don't want to see the light.

It's your beauty that betrays you  
Your smile gives you away.  
Cause you're made of strength and mercy  
And my soul is yours to save  
I know this much is true  
When my world was dark and blue  
I know the only one who rescued me was you

Close your eyes  
Let me tell you all the reasons why  
You're never gonna to have to cry  
Because you're one of a kind  
Yeah, here's to you  
The one that always pulls us through  
You always do what you gotta do baby  
Because you're one of a kind.

When your love pours down on me  
I know I'm finally free  
So I tell you gratefully  
Every single beat in my heart is yours to keep

So close your eyes  
Let me tell you all the reasons why babe  
You're never going to have to cry baby  
Because you're one of a kind  
Yeah, here's to you  
You're the one that always pulls us through  
You always do what you got to do babe  
'Cause you're one of a kind.

You're the reason why I'm breathing.  
With a little look my way  
You're the reason that I'm feeling  
It's finally safe to stay!
