

## Crazy Love

Michael Bublé

I can hear her heart beat for a thousand miles  
And the heavens open every time she smiles  
And when I come to her, that's where I belong  
I'm running to her like a river's song

She give me love, love, love, love, crazy love  
She give me love, love, love, love, crazy love

She's got a fine sense of humor when I'm feeling low down  
And when I come to her when the sun goes down  
Takes away my trouble, takes away my grief  
Takes away my heartache in the night like a thief

She give me love, love, love, love, love, crazy love  
She give me love, love, love, yes sir, crazy love

Yes, I need her in the daytime  
But, I need her in the night  
Yes I want to throw my arms around her  
Kiss her an' hug her, kiss her an' hug her tight  
Kiss her an' hug her tight, through the night

And when I'm returning from so far away  
She gives me some sweet lovin' brighten up my day  
It'll make me feel righteous, make me feel whole  
Make me feel mellow down into my soul

Give me love, gimme love, yes sir, crazy love  
Give me love, gimme, gimme, gimme, crazy love

I said she give me love, love, love, aww, crazy love  
She give me, yeah, crazy love

I said give me love, love, love, love, crazy love  
She give me love, love, yes sir, a crazy love, one more time

She give me love, love, love, love, she give me crazy love  
She give me love, love, love, yes sir crazy love
