

Everything

Michael Bublé

You're a falling star, You're the get away car.
You're the line in the sand when I go too far.
You're the swimming pool, on an August day.
And You're the perfect thing to see.

And you play your card, but it's kinda cute.
Ah, When you smile at me you know exactly what you do.
Baby don't pretend, that you don't know it's true.
Cause you can see it when I look at you.

R: And in this crazy life, and through these crazy times
It's you, it's you, You make me sing.
You're every line, you're every word, you're every thing.

You're a carousel, you're a wishing well,
And you light me up, when you ring my bell.
You're a mystery, you're from outer space,
You're every minute of my everyday.

And I can't believe, uh that I'm your man,
And I get to kiss you baby just because I can.
Whatever comes our way, ah we'll see it through,
And you know that's what our love can do.

R:

So, La, La, La, La, La, La, La, La
So, La, La, La, La, La, La, La, La

R:

And in this crazy life, and through these crazy times
It's you, it's you, You make me sing.
You're every line, you're every word, you're everything.
You're every song, and I sing along.
Cause you're my everything.
yeah, yeah

So, La, La, La, La, La, La, La, La
So, La, La, La, La, La, La, La, La
