

For Once in My Life

Michael Bublé

For once in my life
I've got someone who needs me
Someone I've needed so long
For once, unafraid, I can go where life leads me
And somehow I know I'll be strong

For once I can touch
What my heart used to dream of
Long before I knew
Someone warm like you
Could make my dreams come true

For once in my life
I won't let sorrow hurt me
Not like it's hurt me before
For once I have someone I know won't desert me
I'm not alone anymore

For once I can say this is mine you can't take it
Long as I know I've got love, I can make it
For once in my life,
I got someone who needs me

At least for once I can say this is mine you can't take it
Long as I know I got love, I can make it
For once in my life, I got someone
For once in my life, I found someone
For once in my life
I got someone who needs me
