

Haven't Met You Yet

Michael Bublé

I'm not surprised
Not everything lasts
I've broken my heart so many times
I've stopped keepin track
Talk myself in
I talk myself out
I get all worked up
Than I let myself down

I tried so very hard not to lose it
I came up with a million excuses
I thought, I thought of every possibility

And I know someday that it'll all turn up
You'll make me work so we can work to work it out
And I promise you kid that I'll give so much more than I get
I just haven't met you yet

Mmmmm

I might have to wait
I'll never give up
I guess it's half timing
And the other half's luck
Wherever you are
Whenever it's right
You'll come out of nowhere and into my life

And I know that we can be so amazing
And baby your love is gonna change me
And now I can see every possibility

Mmmmm

And I know someday that it'll all turn up
You'll make me work so we can work to work it out
And I promise you kid that I'll give so much more than I get
I just haven't met you yet

They say: All's fair
In love and war
But I won't need to fight it
Get invited
To Be United

And I know that we can be so amazing
And baby your love is gonna change me
And now I can see every single possibility

Mmmmm

Cuz someday I know it'll all turn up
And I work to work it out
promise you kid I'll give more than I get, than I get, than I get, than I ge
t

Oh, you know that will all turn up
And you'll make me work so we can work to work it out
And I promise you kid to give so much more than I get
Yeah I just haven't met you yet

I just haven't met you yet
Oh promise you kid
To give so much more than I get

I said love love love ...
I just haven't met you yet
Love love love ...
I just haven't met you yet
