

## Kissing a Fool

Michael Bublé

You are far  
When I could have been your star  
You listened to people  
Who scared you to death  
And from my heart  
Strange that you were strong enough  
To even make a start  
But you'll never find  
Peace of mind  
Till you listen to your heart

People  
You can never change the way they feel  
Better let them do just what they will  
For they will  
If you let them  
Steal your heart from you  
People  
Will always make a lover feel a fool  
But you knew I loved you  
We could have shown them all  
We should have seen love through

Fooled me with the tears in your eyes  
Covered me with kisses and lies  
So goodbye  
But please don't take my heart

You are far  
I'm never gonna be your star  
I'll pick up the pieces  
And mend my heart  
Maybe I'll be strong enough  
I don't know where to start  
But I'll never find  
Peace of mind  
While I listen to my heart

People  
You can never change the way they feel  
Better let them do just what they will  
For they will  
If you let them  
Steal your heart from you  
People  
Will always make a lover feel a fool  
But you knew I loved you  
We could have shown them all  
We should have seen love through

But remember this  
Every other kiss  
That you'll ever give  
Long as we both live  
When you need the hand of another man  
One you really can surrender with  
I will wait for you

Like I always do  
There's something there  
That can't compare with any other

You are far  
When I could have been your star  
You listened to people  
Who scared you to death  
And from my heart  
Strange that I was wrong enough  
To think you'd love me too  
I guess you were kissing a fool  
You must have been kissing a fool
