

## Lost

Michael Bublé

I can't believe it's over  
I watched the whole thing fall  
And I never saw the writing that was on the wall  
If I'd only knew  
The days were slipping past  
That the good things never last  
That you were crying

Summer turned to winter  
And the snow it turned to rain  
And the rain turned into tears upon your face  
I hardly recognized the girl you are today  
And god I hope it's not too late  
It's not too late  
'Cause you are not alone  
I'm always there with you  
And we'll get lost together  
Till the light comes pouring through  
'Cause when you feel like you're done  
And the darkness has won  
Babe, you're not lost  
When your worlds crashing down  
And you can't bear the thought  
I said, babe, you're not lost

Life can show no mercy  
It can tear your soul apart  
It can make you feel like you've gone crazy  
But you're not  
Things have seem to changed  
There's one thing that's still the same  
In my heart you have remained  
And we can fly fly fly away

'Cause you are not alone  
And I am there with you  
And we'll get lost together  
Till the light comes pouring through  
'Cause when you feel like you're done  
And the darkness has won  
Babe, you're not lost  
When the worlds crashing down  
And you can not bear the cross  
I said, baby, you're not lost  
I said, baby, you're not lost  
I said, baby, you're not lost  
I said, baby, you're not lost
