

# Nobody but Me

Michael Bublé

Baby, I get a little bit jealous  
But how the hell can I help it?  
When I'm thinkin' on you  
Maybe, I might get a little reckless  
But you gotta expect that  
What else can a boy do?  
My momma taught me how to share  
But I'll be selfish and I don't care  
Cause I want you, I need you all for me

And I don't want anybody loving my baby  
Nobody (nobody), nobody (nobody), nobody but me (hey)  
And I don't want anybody thinking just maybe  
Nobody (nobody), nobody (nobody), nobody but me

And I know, when you got a lovely lady  
It might drive the boys crazy  
When she's lookin' so fine, whooooaaahh  
I know-know-know, no one would ever blame me  
The only thing that could save me  
Is just knowing you're mine  
My papa told me, once or twice  
Don't be cruel but don't be too nice  
'Cause I want you, I need you all for me

Cause I don't want anybody loving my baby  
Nobody (nobody), nobody (nobody), nobody but me (hey)  
And I don't want anybody thinking just maybe  
Nobody (nobody), nobody (nobody), nobody but me

Hey, we make beautiful music together, how you make my heart sing  
Move into the side with us and never be apart thing  
Work of art thing, the way you pull me like a harp string  
Every moment spent is worth it, that's the perfect part, see  
I like whatever you like, we had to do right  
And do like, two sovereign nations and try to unite  
I'm proud of you, like a treasure, you're the one I'm cherishing  
Every other girl is silly, paling in comparison

I'll know, I can be a bit jealous  
But how the hell can I help it?  
I'm so in love with you

I don't want anybody loving my baby  
Nobody (nobody), nobody (nobody), nobody but me (hey)  
I don't want anybody loving my baby  
Nobody (nobody), nobody (nobody), nobody but me

Oh my papa told me once or twice  
Don't be cruel, don't be too nice  
My baby needs no lines from me  
Oh, and I know how to share  
But I'll be selfish, I don't care  
My baby don't need no one but me
