

# Orange Coloured Sky

Michael Bublé

I was walking along  
Minding my business  
When love came and hit me in the eye  
Now out of the blue, my dreams come true  
When they ask I'll tell them why

I was walking along  
Minding my business  
When out of an orange coloured sky  
Flash  
Bam  
Ala-ca-zam  
Wonderful you came by

I was humming a tune  
Drinking in sunshine  
When out of an orange colored view  
Wam  
Bam  
Ala-ca-zam  
I got a look at you

One look and I yelled timber  
Watch out for flying glass  
Cause the ceiling fell in  
And the bottom fell out  
I went into a spin  
And I started to shout  
I've been hit, this is it, this is it

I was walking along  
Minding my business  
When love came and hit me in the eye  
Flash  
Bam  
Ala-ca-zam  
Out of an orange coloured sky

Well, one look and I yelled timber  
Watch out for flying glass  
Cause the ceiling fell in  
And the bottom fell out  
I went into a spin  
And I started to shout  
This is it, this is it, this is it, I've been hit

I was walking along  
Minding my business  
When love came and hit me in the eye  
Flash  
Bam  
Ala-ca-zam  
Ooo that orange coloured sky
