

# Someday

Michael Bublé

I love seeing you happy  
I miss seeing that smile  
It's been such a long time  
And although I don't have you  
I know now that I need to  
And somehow make you mine  
And I won't lie  
It's hard seeing you with him  
'Cause I know he can't hold you like I can

Someday maybe when we're old and gray  
We could be in love once more  
Till then I won't give my love away  
Darling, I'm forever only yours

I remember that love song  
I sang every word wrong  
But you didn't mind  
No, no  
And I'll admit that I miss you  
But only if you do  
'Cause you know that I'm shy  
And I can't lie  
It's hard seeing you with her  
'Cause I know she can't love you like I can

Someday maybe when we're old and gray  
We could be in love once more  
Till then I won't give my love away  
Darling, I'm forever only yours

And my love then what's for you then  
We all got nothing to lose  
'Cause I'm forever only yours (in love once more, once more, once more)  
No need to complicate it  
The smile is worth the wait, yeah  
I'm forever only yours (hey, yeah)

Someday maybe  
Someday maybe  
Someday maybe I'll be yours (whoa, baby)

Someday maybe (someday maybe)  
Someday maybe (someday maybe)  
Someday maybe I'll be yours (someday maybe I'll be yours)

Someday maybe when we're old and gray  
We could be in love once more  
Till then I won't give my love away  
Darling, I'm forever only yours

And my love then what's for you then  
We all got nothing to lose  
'Cause I'm forever only yours (someday I'll be yours)  
No need to complicate it  
The smile is worth the wait, yeah  
I'm forever only yours (someday maybe...)

I'm forever only yours (only yours)  
(I'm singing now)  
I'm forever only yours...
