

# Stuck In The Middle With You

Michael Bublé

Well I don't know why I came here tonight  
I got the feelin' that somethin' ain't right  
I'm so scared in case I fall off my chair  
And I'm wonderin' how I'll get down the stairs

Clowns to the left of me  
Jokers to the right  
Here I am stuck in the middle with you

Yes I'm stuck in the middle with you  
And I'm wonderin' what it is I should do  
It's so hard to keep this smile from my face  
Lose control, yeah I'm all over the place

Clowns to the left of me  
Jokers to the right  
Here I am stuck in the middle with you

Well you started off with nothin'  
And you're proud that you're a self-made man  
And your friends they all come crawlin'  
Slap you on your back and say  
Please& Please&  
Oh!

I'm tryin' to make some sense of it all  
But I can see it makes no sense at all  
Is it cool to go to sleep on the floor  
Cause I don't think I can take it no more

Clowns to the left of me  
Jokers to the right  
Here I am stuck in the middle with you yeah

Well you started off with nothin'  
And you're proud that you're a self-made man  
And your friends they all come crawlin'  
Slap you on your back and say  
Please& Please&

Well I don't know why I came here tonight  
I got the feelin' that somethin' ain't right  
I'm so scared in case I fall off my chair  
I keep wonderin' how I'll get down the stairs

Clowns to the left of me,  
Jokers to the right,  
Here I am stuck in the middle with  
Stuck in the middle with  
Stuck in the middle with you

Oh now!  
Well I'm stuck in the middle with you,  
Yeah stuck in the middle with you,  
Oh here I am stuck in the middle with you  
Here I am stuck in the middle with you  
Stuck in the middle with you
