Unforgettable

Michael Bublé

Unforgettable Hmm, that's what you are Unforgettable Although near or far

Like a song of love that clings to me Hmm, how the thought of you does things to me Never before has a someone been more Hmm, unforgettable in every way

And forever more That's how you're gonna stay And that's why darling it's incredible Someone, so unforgettable Thinks that I am unforgettable to you

And that's why darling When you hold my hand I can hardly understand How someone like you thinks that I am Unforgettable too
