

# Who's Lovin' You

Michael Bublé

When I, I had you  
Treated you bad and so wrong my dear  
But since, since you went away

Don't you know I sit around  
With my head hanging down  
And I wonder who's lovin' you.

I, I, I, I, I shouldn't ever,  
Never ever made you cry  
But girl, since, since you been gone

Don't you know I sit around  
With my head hanging down  
And I wonder who's lovin' you.

Life without love,  
It's so lonely, babe.  
I don't think, I don't think I'm gonna make it.  
All my life, all my life yeah I've been lost to you only  
So come on home, baby,  
Come on and take it.  
All, all I can do, all I can do since you've gone is cry.  
And don't you ever wonder or worry your pretty little head about what I will do.

Don't you know I sit around  
With my head hanging down  
And I wonder who's lovin' you.
