

You Must Have Been A Beautiful Baby

Michael Bublé

You must have been a beautiful baby
You must have been a wonderful child
When you were only starting to go to kindergarten
I bet you drove those other childs wild.

And when it came to winning blue ribbons
I bet you taught those other kids how.
I can see the judges' eyes when they handed you the prize
You had the cutest bow.

You must've been a beautiful baby
'Cause baby look at you now.
