## You Must Have Been A Beautiful Baby

## Michael Bublé

You must have been a beautiful baby You must have been a wonderful child When you were only starting to go to kindergarten I bet you drove those other childs wild.

And when it came to winning blue ribbons I bet you taught those other kids how. I can see the judges' eyes when they handed you the prize You had the cutest bow.

You must've been a beautiful baby 'Cause baby look at you now.
