

Don't You Know

Michael Card

Don't you know
There's a place in the middle of your heart
An empty place that only Christ can fill
And if you bow your knee to Jesus
And claim Him as your Lord
Don't you doubt for a minute that He will

Don't you know that He loves you
Don't you know that He cares
Don't you know that He died to save your soul
And don't you doubt for a minute that He will
Your at a time in your life
When you're really in between
With people tugging you from every side
And the pain of growing up is almost
More than you can bare
And all you want to do is run and hide
Don't you see that now's the time
When you really need Him most
He's waiting and He's calling to you still
He only wants to love you and hold you in His arms
And don't you doubt for a minute that He will
