## **Never Will I Leave You**

**Michael Card** 

Trust in Me, Keep your life free, From what the love of money will do Am I not enough for you?

Never will I leave you, That's something I'll never do. Forever remember that it's true, Never will I leave you.

When you fear, The scars and tears. Remember what I have sworn, I'll be with you through the storm.

And when you fear, That's when I'm near. Your soul's security, When will you believe? Never will I leave you...
