Song Of Gomer

Michael Card

Don't know what he sees in me He is spirit, he is free And I, the wife of adultery Gomer is my name

Simply more than I can see How he keeps on forgiving me How he keeps his sanity Hosea, you're a fool

A fool to love someone like me, A fool to suffer silently; Though sometimes through your eyes I see I'd rather be a fool.

The fondness of a father
The passion of a child
The tenderness of a loving friend
An understanding smile

All of this and so much more You've lavished on a faithless whore I've never known love like this before Hosea, you're a fool

This God of yours would not have told
To lift a love that you couldn't hold
And though time and time again I flee
I'm always glad to see you coming after me

Simply more than I can see How he keeps on forgiving me The wife of adultery Gomer is my name
