

It Only Takes A Moment

Michael Crawford

It only takes a moment
For your eyes to meet and then
Your heart knows in a moment
You will never be alone again
I held her for an instant
But my arms felt sure and strong
It only takes a moment
To be loved a whole life long...

Isn't the world full of wonderful things
I have lost so many things: my job, my future,
everything that people think is important.
But I don't care!
Cause even if I have to dig ditches for the rest of my life,
I should be a ditch digger who once had a wonderful day

I missed a few words back there, Mr. Hackl.
Right after 'it only'...

...Takes a moment!
But his arms felt sure and strong
It only takes a moment

He held me for an instant
But his arms felt safe and strong
It only takes a moment
To be loved a whole life long

And that is all
That love's about

And we'll recall when time runs out

That it only took a moment
To be loved a whole life long!
