

# The Story Of My Life

Michael Crawford

The story of my life  
Is very plain to read  
It starts the day you came  
And ends the day you leave

The story of my life  
Begins and ends with you  
The names are still the same  
And the story's still the truth

I was alone  
You found me waiting  
And made me your own  
I was afraid  
That somehow I never could be  
The man that you wanted of me

You're the story of my life,  
And every word is true  
Each chapter sings your name  
Each page begins with you

It's the story of our times  
And never letting go  
I wanted you to know

Stay with me here  
Share with me, care with me  
Stay and be near  
And when it began  
I'd lie awake every night  
Just knowing somewhere deep inside  
That our affair just might write

The story of my life  
Is very plain to read  
It starts the day you came  
It ends the day you leave
