

Carte Blanche (ride On With The Breeze)

Michael Cretu

Closing a door on the life I have known
Free for the future, 'cause now I'm alone
Carte blanche, carte blanche
Maybe you hurt me, maybe I'm sad
Let me discover what we never had
Carte blanche, carte blanche
Ticket to ride on with the breeze
Carte blanche
Maybe I'm leaving and maybe I'll stay
Maybe tomorrow I'm light-years away
Carte blanche, carte blanche
I need adventure, I venture to guess:
Make me an offer, the answer is yes
Carte blanche, carte blanche
Ticket to ride on with the breeze
Carte blanche
If I'm a rich man, I'm gonna get poor
Nothing to lose, I don't care anymore
Carte blanche, carte blanche
Follow the rainbow,
Jump over the moon
Building a castle right here in my room
Carte blanche, carte blanche
Carte blanche, carte blanche
Ticket to ride on with the breeze
Carte blanche
