

On My Head

Michael Foret

Lead my heart in my own place
ride up to the stars across the heaven
hellou, you say, you will drive me lazy
meeting my heart, leaving the yard
waiting for the night's burst, never say never
we freak, we burst, pasting from our angels

when I am standing on my head
you are crazy smiling
now we don't have it, we are mad
go round this speedy romance

when I am standing on my head
you are crazy smiling
now we don't have it, we are mad
go round this speedy romance

you have the time to take a break
get up to find your lost control
someone lost you trust, your soul
looking for the right size and a good measure
I am a tough guy from the sky
my good will drives me crazy

when I am standing on my head
you are crazy smiling
now we don't have it, we are mad
go round this speedy romance

when I am standing on my head
you are crazy smiling
now we don't have it, we are mad
go round this speedy romance

when I am standing on my head
you are crazy smiling
now we don't have it, we are mad
go round this speedy romance

when I am standing on my head
you are crazy smiling
now we don't have it, we are mad
go round this speedy romance
