

On My Way Home To You

Michael Franks

Lost my way again
And it wasn't hard to do
When I'm away from you
It seems the meaning runs out of my life

Swept away again
Like a sailor tossed on the tide
How much longer can I hide
The pain I feel with you out of my life

And we cut to ending...

I'm on my way home to you
That lucky old sun will shine again
On my way home to you
Suddenly love's so MGM
On my way home to you
I'm going to make you mine again
On my way home to you

It's a tragedy
I can't believe I sent you away
Now I can't even say
How badly I need your love to get by

I guess it's gravity
When you fly so high you will fall
And now we have this wall of hurt
And a feeling so hard to get by

And we cut to ending...

I'm on my way home to you
That lucky old sun will shine again
On my way home to you
Suddenly love's so MGM
On my way home to you
I'm going to make you mine again
On my way home to you

On my way home to you
That lucky old sun will shine again
On my way home to you
Suddenly love's so MGM
On my way home to you
I'm going to make you mine again
On my way home to you

I'm on my way home to you
That lucky old sun will shine again
On my way home to you
Suddenly love's so MGM
On my way home to you
I'm going to make you mine again
On my way home to you
