

You Were Meant For Me

Michael Franks

Flirting with temptation
Falling helplessly
From the moment I saw you
I new that
You were meant for me
All those years to find you
Love's telepathy
Guided me like a heartbeat
Repeating:
You were meant for me
Such a samba
Ay caramba!
Dancing close so
Sensuoso
Rhythms underneath the
Tropic skies
Helped me to realize
How evidently
You were meant for me
There's just one solution
To this mystery
Give your heart
In surrender
Admit that
You were meant for me
