

# Your Secret's Safe With Me

Michael Franks

Lost your toy lover boy  
In the mirror take a look  
You're much older now

You used to be twenty-three  
Suddenly the summer ends  
And you don't know how

It was in this fun, hit and run  
Sweeter was your lemonade  
Always on the prowl

Just one dance, no romance  
Living like an alley cat  
And you sure could howl

Your secret's safe with me  
You're tired and lonely  
The only cure will be love

Your secret's safe with me  
Ain't no contender  
You got no fist in your glove

Your secret's safe with me  
You're searching for someone  
Whose got no lies to conceal

Your secret's safe with me  
Waiting for someone  
Whose eyes will tell you it's real

Whose eyes will tell you it's real  
Whose eyes will tell you it's

Live and learn wait your turn  
Don't you know the deepest love  
Comes to those who wait

Why be smart, hear your heart  
Leading you to someone who  
Know it's not too late

Your secret's safe with me  
(Your secret's safe with me)  
Tired and lonely  
The only cure will be love

Your secret's safe with me  
(Your secret's safe with me)  
Ain't no contender  
You got no fist in your glove

Your secret's safe with me  
(Your secret's safe with me)  
You're searching for someone  
Who's got no lies to conceal

Your secret's safe with me  
(Your secret's safe with me)  
Waiting for someone  
Whose eyes will tell you it's real  
(Will tell you it's real)

Whose eyes will tell you it's real  
(Whose eyes will tell you it's real)  
Whose eyes will tell you it's real  
(Whose eyes will tell you it's real)  
Whose eyes will tell you it's real
