Your Secret's Safe With Me

Michael Franks

Lost your toy lover boy In the mirror take a look You're much older now

You used to be twenty-three Suddenly the summer ends And you don't know how

It was in this fun, hit and run Sweeter was your lemonade Always on the prowl

Just one dance, no romance Living like an alley cat And you sure could howl

Your secret's safe with me You're tired and lonely The only cure will be love

Your secret's safe with me Ain't no contender You got no fist in your glove

Your secret's safe with me You're searching for someone Whose got no lies to conceal

Your secret's safe with me Waiting for someone Whose eyes will tell you it's real

Whose eyes will tell you it's real Whose eyes will tell you it's

Live and learn wait your turn Don't you know the deepest love Comes to those who wait

Why be smart, hear your heart Leading you to someone who Know it's not too late

Your secret's safe with me (Your secret's safe with me) Tired and lonely The only cure will be love

Your secret's safe with me (Your secret's safe with me) Ain't no contender You got no fist in your glove

Your secret's safe with me (Your secret's safe with me) You're searching for someone Who's got no lies to conceal Your secret's safe with me (Your secret's safe with me) Waiting for someone Whose eyes will tell you it's real (Will tell you it's real)

Whose eyes will tell you it's real (Whose eyes will tell you it's real) Whose eyes will tell you it's real (Whose eyes will tell you it's real) Whose eyes will tell you it's real (Whose eyes will tell you it's real)

Your secret's safe with me (Your secret's safe with me) Tired and lonely The only cure will be love

Your secret's safe with me (Your secret's safe with me) Ain't no contender You got no fist in your glove

Your secret's safe with me (Your secret's safe with me) Searching for someone Who's got no lies to conceal

Your secret's safe with me (Your secret's safe with me) Waiting for someone Whose eyes will tell you it's real

Your secret's safe with me (Your secret's safe with me) Your secret's safe with me (Your secret's safe with me) Your secret's safe with me (Your secret's safe with me)

Your secret's safe with me (Your secret's safe with me) Your secret's safe with me (Your secret's safe with me) Your secret's safe with me (Your secret's safe with me)
