

Closer To You

Michael Franti & Spearhead

Babe, it's half past lonely,
And you're going away, but I know that you're feeling the same
as me

But I don't wanna be your friend no more,
I only wanna be you love.
So I'm down on my knees, saying please baby please,
'Cause I feel close to God, when I'm closer to you.
When I'm closer to you,
And I'm coming through the storm and I'm still holding on,
It all comes into view, when I'm closer to you
When I'm closer to you [3x]

Babe, I should've told you,
When I'm going away, I just wanna hold you, hold you.
And I don't wanna be your friend no more,
I only wanna be you love.
So I'm down on my knees, saying please baby please,
'Cause I feel close to God, when I'm closer to you.
When I'm closer to you, you you,
When I'm coming through the storm and I'm still holding on,
It all comes into view, when I'm closer to you
When I'm closer to you [3x]

I don't wanna be your friend no more,
I only wanna be you love.
So I'm down on my knees, saying please baby please,
'Cause I feel close to God, when I'm closer to you.
When I'm closer to you, you, you,
When I'm closer to you
When I'm closer to you, you, you,

Babe, it's half past lonely,
So I'm down on my knees, saying please baby please,
'Cause I feel close to God, when I'm closer to you.
When I'm closer to you, you, you,
When I'm coming through the storm and I'm still holding on,
It all comes into view, when I'm closer to you
When I'm closer to you, you, you,
When I'm closer to you
When I'm closer to you, you, you,
