

Crazy For You

Michael Franti & Spearhead

Sometimes I can't breathe
And when I wake up in the morning, I can't believe
This whole world's crazy with emotion
And I think it's coming over me
Don't know how to find no relief, but in you
I need help to get me through

They say I'm crazy
But if I'm crazy, I'm crazy for you
And if we all go crazy
Then I wanna go crazy, crazy with you

You say that I lost my mind again
Misplaced it never to find again
But every morning when I look into your eyes
I get the inspiration that I need to keep my soul alive
In these crazy times, woah
I lost my mind

They say I'm crazy
But if I'm crazy, I'm crazy for you
(Uh huh, uh huh, let me tell you little more about it)
And if we all go crazy
Then I wanna go crazy, crazy with you

Let me tell ya little more about it
Right here right now and everybody singing
Woah-oh-oh woah-oh!
Throw your hands up in the air and you can feel it coming
Woah-oh-oh woah-oh!
And it goes on and it goes on until the early morning
Woah-oh-oh woah-oh!
So throw your hands up in the air and you can feel it coming down,
I'm crazy for you

You were the one that I met on a rainy day
And when I saw you then I knew that I had to say
I wanna love you every morning and night and day
Your smile's like sensie to my brain baby
Come on save me
I lost my mind
(Let me tell ya little more about it right now)

This world's gone outta control again
Like every second when I pick up my phone again
Another story 'bout a person that the government is messing with
And tell me what's the message of a terrorist
And in the ocean there's oil spill that's killing fish
And corporations who are buying up the politics
We lost our minds

They say I'm crazy
But if I'm crazy, I'm crazy for you
(I'm going crazy, crazy, crazy)
And if we all go crazy
(And if we all go crazy)
Then I wanna go crazy, crazy with you

Let me tell ya little more about it
Right here right now and everybody singing
Woah-oh-oh woah-oh!
So throw your hands up in the air and you can feel it coming
Woah-oh-oh woah-oh!
And it goes on and it goes on until the early morning
Woah-oh-oh woah-oh!
So throw your hands up in the air and you can feel it coming
Woah-oh-oh woah-oh!
And it goes on and it goes on until the early morning
And it goes on and on and on
And it goes on and on and on
And it goes on and on and on
I'm crazy for you
