

I Got Love for Ya

Michael Franti & Spearhead

One, two, three, four
Yoo hoo hoo, ah

Another morning has come and the sun is high
But I know that today is a day that I might cry
Because I know you're going and I know you're leaving
To somewhere hope to find the peace of mind you're seeking
In the back of a greyhound bus, it'll take you far
In the back of a greyhound bus you can be who you are

So I say
La-la-la la-la-la la-la-la la-la-la la la
I got love for you
I got love for you
So I'll be waiting my dear
Waiting right here
I'll be waiting my dear
Waiting right here
I'll be waiting my dear
Waiting right here
For you, you

I remember the time back when we was home
In and out, up and down of this life, what a crazy road
It's been a long time that I should have said what I tell you now
That I got faith in you and I believe in you
So I say, in the dark of the night in the hotel when you're alone
In the middle of the city where nobody cares to know
On the top of the town in the glimmer of the shining lights
You just shine on now
You just shine on now

And we say
La-la-la la-la-la la-la-la la-la-la la la
I got love for you
I got love for you

And we say
La-la-la la-la-la la-la-la la-la-la la la
I got love for you
I got love for you

So come on, come on, won't you come on
Come on, come on, won't you come on
Come on, come on, won't you come on home
So come on, come on, won't you come on
Come on, come on, won't you come on
Come on, come on, won't you come on home, come on home

Oh I'll be waiting my dear
Waiting right here
I'll be waiting my dear
Waiting right here
I'll be waiting my dear
Waiting right here
Waiting my dear
Waiting right here

In the back of a greyhound bus, it'll take you far
In the back of a greyhound bus you can be who you are

So I say
La-la-la la-la-la la-la-la la-la-la la la
I got love for you
Love for you

And I say
La-la-la la-la-la la-la-la la-la-la la la
I got love for you
Love for you

And I say come on, come on, won't you come on
Come on, come on, won't you come on
Come on, come on, won't you come on
Come on, come on, won't you come on home (waiting right here)
Won't you come on home (waiting my dear)
Won't you come on home (waiting right here)
won't you come on home (waiting my dear)
Waiting right here
