

# Love Will Find A Way

Michael Franti & Spearhead

Til I'm gone away  
This is what I'll say  
This is what I'll say  
[x4]

This is a song for all kinds of people  
All of the cities and all of the streets yo  
The synagogue and the mosque and the steeple  
The bad, ugly, the good and the evil  
Some shoot bullets and some shootin' needles  
Some are trying to get by with illegals  
Getting trapped behind the concrete walls  
Some are trying just to get equal

Could you ever  
Could you ever  
Give more today?  
Or could you  
Give a little  
Give a little  
To help love find a way?

And when you feeling like you can't go on  
Love will find a way  
And through the clouds and smoke and guns and bombs  
Love will find a way  
And when the whole world falls on their knees to pray  
That love will win today  
Just keep holding on, holding on  
Cause love will find a way

Til I'm gone away  
This is what I'll say  
This is what I'll say  
[x4]

Yo nobody's born hating another person  
A mad world puts that poison in us  
But if we can learn to hate another person  
Then we can learn to love a brother or sister  
Another mother or mister  
Don't be part of the system  
Join the universal nation  
Communication  
Communication  
In every nation  
Worldwide  
Worldwide

Could you ever  
Could you ever  
Give more today?  
Could you  
Give a little  
Give a little  
To help love find a way?

And when you feeling like you can't go on  
Love will find a way  
And through the clouds and smoke and guns and bombs  
Love will find a way  
And when the whole world falls on their knees to pray  
That love will win today  
Just keep holding on, holding on  
Cause love will find a way

Til I'm gone away  
This is what I'll say  
This is what I'll say  
[x2]

Til I'm gone away (Til I'm gone away, til I'm gone away)  
This is what I'll say  
This is what I'll say  
Til I'm gone away (Every man, woman and child)  
This is what I'll say  
This is what I'll say  
Til I'm gone away (Every color, every nation, every style)  
This is what I'll say  
This is what I'll say  
(To create and to liberate and to celebrate)  
Til I'm gone away (Not to hate)  
This is what I'll say  
This is what I'll say  
Peace y'all  
Peace y'all  
Peace y'all  
Peace y'all  
Peace y'all
