

# Never Too Late

Michael Franti & Spearhead

Don't fear your best friends,  
because a best friend will never try to do you wrong.  
And don't fear your worst friends,  
because a worst friend is just a best friend  
that has done you wrong.  
And don't fear the night time,  
because the monster's know that you're divine.  
And don't fear the sunshine,  
because everything is better in the summer time,  
summer time

And it's never too late to start the day over  
It's never too late to pick up the phone  
(pick up the phone and call me)  
It's never too late to lay your head down on my shoulders  
It's never too late to come on home,  
come on home

And don't fear the water  
coz you can swim inside you within your skin  
And don't fear your father,  
coz a father's just a boy without a friend  
And don't fear to walk slow,  
don't be a horse race, be marathon  
don't fear the long road,  
coz on a long road,  
u got a long time to sing a simple song

And it's never too late to start the day over  
It's never too late to pick up the phone  
(pick up the phone and call me)  
It's never too late to lay your head down on my shoulders  
It's never too late to come on home,  
come on home

Let me hear you say Yo, say yo yo yo  
say yo, say yo yo yo  
say yo, say yo yo yo  
say yo, say yo yo yo  
And they'll be there

Don't fear ur teachers,  
coz if u listen u can hear music in the school ground  
And don't fear your preacher  
if u can't find heaven in a prison cell  
And dont fear your own self,  
paying money to justify your worth  
And dont fear your family,  
because you chose them a long time before your birth

And it's never too late to start the day over  
It's never too late to pick up the phone  
(pick up the phone and call me)  
It's never too late to lay your head down on my shoulders  
It's never too late to come on home,  
come on home

Let me hear you say Yo, say yo yo yo  
say yo, say yo yo yo  
say Yo, say yo yo yo  
say yo, say yo yo yo

And they'll be there

Go to your children, go to your children, go to your children
