

# See You In The Light

Michael Franti & Spearhead

I've been travelin'  
Down this river  
So many rocks pop up in my sight  
I got to make some quick decisions  
Should I go left or should I go right  
I pray for guidance  
And protection  
It keeps my boat water tight  
And I know  
If I just keep on believin'  
Every little things all gon' be alright

But when I wake up  
In the mornin'  
I hope I see you  
In the light

And the loveliness  
And the tenderness  
And the happiness  
And the openness  
And togetherness  
And the ugliness  
Ya ya  
Vampires gather round me

Anglin' to take a bite  
They wanna drink my blood of courage  
And try to take away my fight  
But no no no they cant do that  
Noooo  
For one truth I learned in life  
You want to scare away the vampires  
And simply guide them into the light

In the mornin  
And when my time is done  
I did some right I did some wrong  
Call my name to kingdom come  
Spread my wings in flight  
I hope that when my day is over  
My love I see you  
In the light  
YAAAAA  
In the mornin
