

# Show Me A Sign

Michael Franti & Spearhead

I hold my camera so far away  
So I can take a picture of the world today  
See all the people on the streets today  
So much struggle, so much cryin', so much stress today  
It's just so hard to make it on your own, but  
You don't have to walk this world alone no more  
I wanna know, I wanna know, when you're comin' home  
Send me a picture on your telephone, and say

Ay, we got a long, long road today,  
No way, I could never ever make it alone  
On my own such a long way to go,  
So walk next to me,  
Show me a sign today  
We got a long, long road today,  
No way, I could never ever make it alone  
On my own such a long way to go,  
So walk next to me,  
Show me a sign today  
It's a crazy world (ay-ay-ay-ay)  
You got to show me a sign today  
It's a crazy world (ay-ay-ay-ay)

Show me a sign that the world could be better than  
People on the streets sleepin' under newspapers  
All filled with celebrity news  
While bankruptcies got us singin' the blues (y'all)  
I just want to know  
Why it seems everywhere I go that  
Nobody knows how it ends. It started  
Standin' in the lines of the brokenhearted  
It's just so hard to make it on your own, but  
You don't have to walk this world alone no more  
I wanna know, I wanna know, when you're comin' home  
Send me a picture on your telephone, and say

Ay, we got a long, long road today,  
No way, I could never ever make it alone  
On my own such a long way to go,  
So walk next to me,  
Show me a sign today  
We got a long, long road today,  
No way, I could never ever make it alone  
On my own such a long way to go,  
So walk next to me,  
'Cuz I could never make it without you (It's a crazy world)  
I could never make it without you (It's a crazy world)

Show me a sign that the world will be fine, and  
All dictators kicked out, always earnin'  
People everywhere takin' it to the streets  
Throw your hands in the air if you know what I mean  
Wall Street criminals, some of them politicals,  
Stealin' money off of people in the struggle, yo  
Everywhere on this planet I see  
People fightin' back for humanity

I hold my camera so far away  
So I can take a picture of the world today  
I wanna know, I wanna know, when you're comin' home  
Send me a picture on your telephone, and say

Ay, we got a long, long road today,  
No way, I could never ever make it alone  
On my own such a long way to go,  
So walk next to me,  
Show me a sign today  
We got a long, long road today,  
No way, I could never ever make it alone  
On my own such a long way to go,  
So walk next to me,  
Show me a sign today

It's a crazy world (ay-ay-ay-ay)  
You got to show me a sign today  
It's a crazy world (ay-ay-ay-ay)  
'Cuz I could never make it without you (It's a crazy world)  
I could never make it without you (It's a crazy world)  
I could never make it without you (It's a crazy world)  
You got to show me a sign,  
Show me a sign, show me a sign (It's a crazy world)
