

# Don't Save Me From Myself

Michael Hutchence

I'm not keeping time  
Get me outta here  
Folding up my crimes  
Ready for what's said to me

All that glitters shine  
Love that new attraction  
Animal inside  
Leads me to the conclusion

Don't save me from myself  
Don't save me from myself

I listen to the wind  
And mystery comes alive  
Don't tie me up again  
Separate love from possession

Does all that glitters shine  
Love that new attraction  
Animal inside  
Leads me to the conclusion

Don't save me from myself  
Don't save me from myself
