Almost Like Being In Love

Michael Johnson

What a night this has been What a rare mood I'm in Why it's almost like being in love

There's a smile on my face
For the whole human race
I could swear that I'm falling in love

And the music of life seems to be Like a bell that is ringing for me

From the way that I feel Can't believe this is real And it's almost like being in love

And the music of life seems to be Like a bell that is ringing for me

From the way that I feel Can't believe this is real And it's almost like being in love

What a night, what a rare mood Falling in love, falling in love Like I'm falling in love
