

I'll Always Love You

Michael Johnson

Standin' by my window
listening for your call
seems i really miss you after all

Time won't let me keep
these sad thoughts to myself
i just like to let you know
i wish i'd never let you go

Chorus:
And i'll always love you
deep inside this heart of mine
i do love you
and i'll always need you
and if you ever change your mind
i'll still, i will
love you

Wish you'd never left me
but love's a mystery
you can break a heart so easily

The days and nights reveal
how much i feel for you
time has come for me to see
how much your love has meant to me

And i'll always love you
and if you ever change your mind
i'll still, i will
love you
time like a river keeps on rolling right by
nothing left for me to do
so i watch the river rise

Chorus:
And i'll always love you
deep inside this heart of mine
i do love you
and i'll always need you
and if you ever change your mind
i'll still, i will
LOVE YOU. e
