

Old Fashioned Love

Michael Johnson

I take my love seriously
'Cause I don't believe that love is free
Fast and loose just ain't my style
A good thing should last a while

Old fashioned love
Long lasting love
Old fashioned, full of the passion
Of an old fashioned love

Some people go for one-night stands
Short, sweet, no romance
Some people just go too far

Well I sure don't need a menage a trois

Trying to lead a simple life
And this one woman man needs a one man wife

I don't go to the singles bars
'Cause I don't intend to swing that far
I'm just trying to lead a simple life
And this one woman man needs a one man wife
