

## A Different Song

Michael Learns to Rock

Ain't gonna do the gig tonight  
with the band

I'm going out of town tonight  
oh yes I am

Sorry fans  
sorry band  
I couldn't keep my promise  
I'll put on my coat and hit the road

Breaking up  
breaking out  
I am leaving now you can sing it loud

Have to stop  
had enough  
crying tough

Quit the race  
give me space  
cos I'm so tired of being a slave  
when I'm going  
I'll sing a different song

There's gonna be no wedding on  
saturday

I will be on my way then  
so far away

Sorry mom  
sorry honey  
I couldn't keep me promise  
I'll ripp off my tie and say goodbye

Breaking up  
breaking out  
I am leaving now you can sing it loud

Have to stop  
had enough  
crying tough

Quit the race  
give me space  
cos I'm so tired of being a slave  
when I'm going  
I'll sing a different song
